

If elected you can count on me to...

...hold regular resident consultations

...work with and use my divisional fund to support local groups and charities

...ensure ALL our residents in ALL our areas have a voice

## MANIFESTO FOR BROMSGROVE SOUTH

*From talking to residents, knocking on doors and researching what can be done, these are my priorities:*

### COMMUNITIES

I've set up performance groups with young people and been amazed by the effect it's had! I'll pitch for the Community Fund for local initiatives, support them myself, and work to link what's done by churches, charities and the Councils.

### CRIME

I will use the divisional fund to extend the rollout of theft prevention tool Smartwater. I'm setting up a meeting with the Police and Crime Commissioner to explore every option to make sure our residents feel safe wherever they live.

### GREEN OPEN SPACES

I'll use the communication powers of a councillor to rally the community when we need to take action and use the divisional fund to protect green spaces.

### GREENER BROMSGROVE

We can't solve our car problem by building more roads. I'll work with the district council on its groundbreaking initiatives for a Cleaner Greener Bromsgrove, including electric car support.

### MUCH-NEEDED PLAN TO TACKLE TRAFFIC

We've got to tackle traffic. The ONLY way we can do this is through the County Council's infrastructure plan. There's £54m for the A38 and a Strategic Traffic Assessment that we can utilise. I'll not only promise, I'll promise and deliver.

### CHILDREN'S SERVICES

I've been a looked-after child, and I know the service from both sides. I will do all I can as corporate parent to encourage and protect for our looked after children.

Printed and promoted by Frances Lasok on behalf of Kyle Daisley, all of 18 High Street, Bromsgrove, B61 8HQ.

## MY COMMITMENTS TO YOU

Ensure I am a voice for ALL people in our area

Work with schools, parish/district councils and charities to bring together our communities

ALWAYS vote with my conscience and do what's right

ALWAYS be positive - I would rather get stuff done than complain and do nothing

## A family message

*I have grown up with Kyle and have witnessed his progression over the years and his dedication to the community. He has always volunteered his time selflessly starting as a young teenager.*

**Kyle is precisely what this community has been crying out for, a fresh set of eyes and an enthusiastic mindset.**

**Nile Daisley**- Kyle's brother, former Charford resident
